OBJECTIVE

Engineering student proficient in programming (Python) and problem-solving skills.Seeking opportunities to leverage my programming, analytical, and interpersonal abilities to drive organizational growth and make a meaningful impact while learning and growing.

EDUCATION

SREE VIDYANIKETHAN ENGINEERING COLLEGE   June/21 - May/24
B.Tech In Civil Engineering

Through continuous learning and actively participating in extracurricular activities, I have become proficient in Technical Knowledge, Effective Management, leadership, and Communication skills.

SREE VIDYANIKETHAN ENGINEERING COLLEGE   June/18 - Apr/21
Diploma In Civil Engineering

Diploma In Civil has played a pivotal role in my professional development and has allowed me to excel in my field of expertise.

EXPEREINCE

Indian Space Research Organization - Thiruvananthapuram   Oct/23 - Nov/23
Intern

➠In the on-site internship I am involved in **5 different projects**. In this internship I started with planning, later tendering and finally executing.
➠ During the entire internship, I mainly focused on **Labor maintenance, project execution & maintenance, and safety management.**

Indian Institute Of Technology - Bhubaneswar   May/23 - July/23
Intern

➠In the virtual internship of IIT Bhubaneswar I worked on the project Nano-Silica Machine Learning.
➠As an intern I have to study, analyze, understand, and gather required data from published scientific journals
➠ During my entire internship, skills such as **Google spreadsheets, Analytical skills, and MS Office** were used.

C.W.Constructions - Kadapa   Apr/21 - Sep/21
Trainee

➠C.W.constructions has helped me to excel in project management while **interacting with clients** regarding knowing about their requirements and fulfilling them.
➠Also excelled in **decision-making** based upon site problems as per need.

ROLE OF RESPONSIBILITIES

IGBC SVEC student chapter   Apr/23 - NOW
Secretary

Organized and motivated team to do **10+ events** to create awareness on green buildings and sustainable development, featuring presentation competitions, debates,

quizzes, field visits, seminars, and awareness campaigns.

NSS   Jan/23 - NOW
Student Volunteer

As a dedicated volunteer in the College National Service Scheme (NSS), I actively engage in initiatives to improve social and environmental condition by field visits, awareness programs, etc.

PROJECTS

BEAM DESIGNER

➠The main motto of this project is to integrate IT with civil to solve Complex civil problems easily, Beam designer can design a beam based on the user input according to IS Standards.

➠In the entire working period on this project I was exposed to and gained knowledge on various Python libraries and frameworks.

SKILLS

➠Python	➠ JavaScript	➠AutoCAD
➠HTML	➠ MS Office	➠STAAD PRO
➠CSS	➠ ChatGPT	➠MATLAB
